ABOUT US

Highlight Renewable Pvt. Ltd. is a forward-thinking solar energy company committed to transforming India's energy landscape from coal to sol. With a mission to bring clean, affordable, and reliable solar power to over one million homes, we combine cutting-edge technology with uncompromising service quality.

We believe in creating real impact—lowering electricity costs, reducing carbon emissions, and building a healthier, pollution-free future. Driven by integrity and a deep sense of responsibility toward society and the environment, we strive to give more back to the planet than we take. Every system we install is a step toward a brighter, cleaner, and more sustainable India.

H/o : Rajkot, Gujarat
